

# Pallets

## HIGH PERFORMANCE PALLET FROM SUSTAINABLE RECYCLED PLASTIC

Omnia pallets have been designed for heavy, every day use in a busy industrial environment. Because Omnia Pallets are plastic they will not split or splinter, and are easily jet washed or steam cleaned for export. Unlike more traditional one piece plastic pallets, Omnia use a block pallet design and assembly method, making repair and maintenance simple, easy and cost effective.

Omnia pallets are four way and come in 1200mm by 800mm Euro size as standard and other sizes are available on request.

Omnia recycled plastic products are made from 100% recycled plastic, using our unique, low energy recycling process, helping to reduce your carbon footprint without compromising on quality.

### IMAGINE A PRODUCT THAT:

- WILL NOT SPLINTER
- WILL NOT SPLIT
- VERY DURABLE
- JET WASHABLE
- STEAM CLEANABLE
- FUNGI RESISTANT
- EASY TO REPAIR
- 100% RECYCLABLE  
(BY OMNIA RECYCLING LTD)

### IMAGINE THE POSSIBILITIES!
